

Outside Water Usage

All residents of Nassau County are prohibited from outside water usage year round between the hours of 10:00 a.m. and 4:00 p.m.

This regulation is applicable to all groundwater so the restriction applies to water supplied by utilities as well as water from private wells.

In addition, the following rules apply:

Customers May Only Water On...

With Odd-Numbered Addresses
Odd-Numbered Days

With Even-Numbered Addresses
Even-Numbered Days
Premises Without a Numbered Address
Even-Numbered Days

Customers in violation of outside water use restrictions Water Authority Rule 4.1 shall be subject to the following service charges which were adopted by the Water Authority Board of Directors (effective June 01, 2003):

- Fifty dollars (\$50.00) for the first occurrence after the initial notification
- Seventy five dollars (\$75.00) for the second occurrence after the initial notification
- One hundred fifty dollars (\$150.00) for the third occurrence after the initial notification
- Three hundred dollars (\$300.00) for each additional occurrence.

Service charges are billed to the customer's water service account. Any occurrence after the expiration of three (3) years since the last occurrence shall be deemed a "first occurrence".
